

JA Solar USA, Inc.  
2570 North First Street, Suite 360  
San Jose, CA 95131

October 4, 2016

Unirac, Inc.  
1411 Broadway Blvd. NE  
Albuquerque, NM 87102

**Reference: RM5 & RMDT roofmount system confirmation**

To Whom It May Concern:

This letter is to confirm the approval use of JA Solar modules with Unirac's RM5 & RMDT roof mounting systems. The attachment is acceptable for all JA module configurations.

JA Solar utilizes two frame sizes in its standard manufacturing of solar modules.

- All models with dimensions of 1956x991x45[mm] and 72 solar cells regardless of power and solar cell technology utilize the 45mm frame.

Applicable Products:

The proper product description will be:

JAP6-72-XXX/YY or JAM6-72-XXX/YY

Where XXX is the STC power, YY would indicate the specific cell technology (3BB, 4BB or no-BB).

JA Solar will maintain its full warranty if the maximum load does not exceed 2400Pa front and 2400Pa back for the above module size.

- All models with dimensions of 1650x991x40[mm] and 60 solar cells regardless of power and solar cell technology utilize the 40mm frame.

Applicable Products:

The proper product description will be:

JAP6-60-XXX/YY or JAM6-60-XXX/YY

Where XXX is the STC power, YY would indicate the specific cell technology (3BB, 4BB or no-BB).

JA Solar will maintain its full warranty if the maximum load does not exceed 2400Pa front and 2400Pa back for the above module size
