

FLASHLOC® DUO

UNIRAC
BETTER SOLAR STARTS HERE

PROTECT THE ROOF

- High strength, waterproof attachment.
- No more lifting, prying or damaging shingles.

LOCK OUT WATER

- With an outer shield contour-conforming gasket and pressurized sealant chamber, the Triple Seal Technology delivers a 100% waterproof connection.

HIGH-SPEED INSTALLATION

- Simply drive the required number of screws and inject sealant into the port to create a permanent pressure seal.
- Faster installation in just 3 steps; pre-install, secure, and seal.

WHY FLASHLOC® DUO?

FLASHLOC® DUO is the most versatile direct to deck and rafter attachment for composition shingle and rolled comp roofs. The all-in-one mount installs fast — no kneeling on hot roofs to install flashing, no prying or cutting shingles, no pulling nails. Simply drive the required number of screws to secure the mount and inject sealant into the base. FLASHLOC's patented TRIPLE SEAL Technology preserves the roof and protects the penetration with a permanent pressure seal. Don't just divert water, LOC it out!

KITTED WITH

- TWENTY (20) Rafter screws (deck screws sold separately)
- TEN (10) Bolt rail attachment hardware
- ONE (1) Tube of approved sealant
- TEN (10) Rail hardware
