GUIDANCE FOR IDENTIFYING **U.S.-**MANUFACTURED COMPONENTS

Unirac is the leader in domestic content for pitched roof, flat roof, and ground mount solar mounting systems. To support contractors, distributors, and developers pursuing the 10% Domestic Content Bonus Credit, Unirac has implemented robust product marking and traceability protocols across key product categories.

PRODUCT NOMENCLATURE

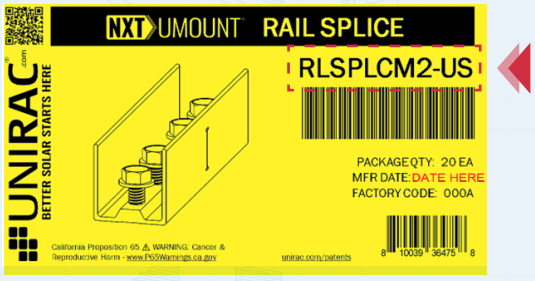

- All Unirac domestic content SKUs end with the "**-US**" **suffix**, indicating U.S.-manufactured versions.
- For a complete list of domestic SKUs or Unirac's Domestic Content letters, contact your sales representative.

PRODUCT LABELS

Unirac's domestic content products are clearly labeled at the packaging level for easy identification in warehouses and on job sites:

- **"-US" suffix** is included on all packaging, including rail bundles.
- Packaging labels may include product images depending on label size.
- Additional markings on individual rails provide identification even when bundles are broken apart.

COMPONENT MARKINGS

RAILS

All domestic rails manufactured after [Insert Effective Date-TBD] include **two identifiers:**

- Unique, permanent markings extruded on the exterior surface of the rail
  (1) MARKINGS ON OUTSIDE OF RAIL WALLS FOR DOMESTIC CONTENT
- "UNIRAC US" sticker applied for visible confirmation
  (2) NEW DOMESTIC CONTENT STICKER ON EVERY STICK OF RAIL

MODULE CLAMPS

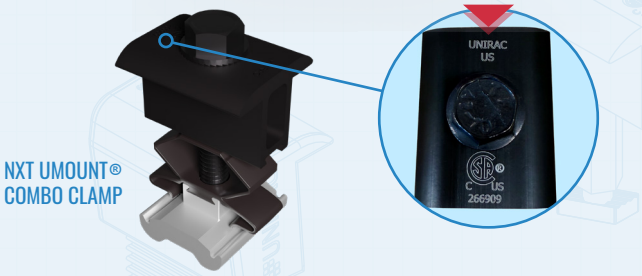

SOLARMOUNT®

- All Standard Solarmount® clamps are now available with a domestic option
- Visual identifiers are included on the end clamp

NXT UMOUNT®

- Domestic NXT combo clamps feature a "**UNIRAC US**" mark on the top face, above certification markings
